

BUILDING WOMEN'S ECONOMIC ADVANCEMENT

58%

of female-headed households are considered low-income

1 in 7

female-headed households do not have a checking or savings account

Two-thirds

of low wage workers are women, many are mothers

3 in 4

domestic violence survivors stay in abusive situations because of financial abuse

Imagine a community that thrives because women are able to support themselves and their families.

Every year, we help more than 350 women move towards economic stability through...

Financial management workshops and one-on-one financial coaching

Job interview and employment support

Assistance locating affordable housing options

2x

Our new Economic Advancement Center will reach twice as many women.

Private spaces for one-on-one financial coaching

State-of-the-art facilities and access to computers and web-based trainings

4x

Quadruple our capacity for financial literacy classes and coaching

3

More classrooms to host workshops on personal finance, employment and housing

100

Workforce development and job training, where over 100 women will receive training to prepare them for employment in culinary and technology job sectors.

Your investment in YWCA Campaign for the Future will change lives!
