

Fall Practice Schedule and Information

August 30 – December 5, 2021

- Swimmers are placed into groups based on age (as of October 1, 2021), ability, time on the team, competitive experience, and level of commitment. Placement is not based on personal schedules, carpools, or who the swimmer would like to swim with.
- All swimmers will need to sign the YWCA Covid waiver before coming in the building.
- All swimmers will also need to sign Illinois Swimming, Inc.'s Covid waiver.
- Groups primarily running in the small pool will be limited to 20 swimmers and those in the big pool – with the majority of swimmers vaccinated – may be limited to 30 swimmers.
- Once placed in a group there is no moving groups/schedules or making up missed swims. You can never deviate from your group.
- Please review the Covid protocols and agreement before committing to the season.
- All fees are nonrefundable. Credits will be considered in some cases.
- No regular practices November 24-28 due to the holiday. There may be an alternative practice schedule for the holiday weekend.
