Additional fees for *new* swimmers (anyone who did not swim the fall 2022 season):

- \$84 - annual USA Swimming membership
- \$84 - annual YWCA 2023 admin fee
- \$84 - 2022 and 2023 annual YWCA facility fee

Additional fees for *returning* fall season swimmers:

- \$84 – annual YWCA 2023 admin fee
- \$84 – annual USA Swimming 2023 membership

All swimmers will need to be current with all three annual fees before registering.

More details about fees:

- Swimmers who were new to the team in the fall only need to add the 2023 YW admin fee at registration. (They have already done the facility fee and USA Swimming membership.)
- Those who swam this fall and were on the team before the fall season should add the 2023 YW admin fee. These swimmers also need to renew their USA Swimming memberships – see below.
- Anyone starting with the winter season, including high school girls returning from their high school seasons, should renew/update all three fees.

You will now register for your USA Swimming membership on your own, online.

- New USA Swimming members can learn more at <https://conta.cc/3RaEcjE>.
- If you're currently swimming with us and need to *renew* your membership, learn more at <https://www.youtube.com/watch?v=kDxwiiTjP18>.

All swimmers must be USA Swimming members in good standing to attend practices.
