

## Winter/Spring Practice Schedule and Information February 22 – May 2, 2021

- Swimmers have the option to get their own group spot back from the Fall II season. Any consideration of changing groups/schedules will happen after we know of the intention of all Fall II season swimmers.
- All swimmers will need to sign our YWCA Covid waiver before coming in the building and IL Swimming's Covid waiver.
- Groups primarily running in the small pool will be limited to 14 swimmers and those in the big pool will be limited to 20 swimmers.
- Once placed in a group, there is no moving groups/schedules or making up missed swims. You can never deviate from your group.
- Please review Covid protocols and agreement before committing to the season. Please also note that we currently have no on-site parking or locker rooms.
- All fees are nonrefundable. Credits will be considered in some cases.
- We will be shut down for one week in mid to late March due to construction needs. Also, no practices on Sunday, April 4.
