

Winter Practice Schedule and Information

December 6, 2021 – March 6, 2022

- Swimmers are placed into groups based on age, ability, time on the team, competitive experience, and level of commitment. Placement is not based on personal schedules, carpools, or who the swimmer would like to swim with.
- All swimmers will need to sign the YWCA Covid waiver before coming in the building.
- Groups primarily running in the small pool will be limited to 16 swimmers and those in the big pool – with the majority of swimmers vaccinated – may be limited to 30 swimmers.
- Once placed in a group there is no moving groups/schedules or making up missed swims. You can never deviate from your group.
- Please review the Covid protocols and agreement before committing to the season.
- All fees are nonrefundable. Credits will be considered in some cases. You can choose a payment plan and pay in three installments.
- We will have a modified schedule in late December/early January due to the holidays. Look for more information when the season starts.
